Dear Mr. David Smith:

This letter serves to confirm an accreditation extension for Community Tissue Services- Dayton, which will have continued AATB accreditation until January 8, 2020.

This letter also serves to confirm that it is best practice to verify a tissue bank's current accreditation status by accessing the AATB website to perform a relevant, real-time, accredited tissue bank search by using the "Accredited Bank Search" function.

We appreciate your participation in this important program of the Association. If you have any questions or need additional information, please feel free to contact me.

Sincerely,

Daisy Cottle, CTBS
Accreditation Coordinator
